

White Knight

Tile & Laminate Cleaner Fact Sheet

White Knight Tile & Laminate Cleaner is a high performance cleaning product specially formulated for the removal of grease, soap scum and other contamination from ceramic tiles and laminate surfaces before painting with White Knight Tile & Laminate Primer.

Suitable Surfaces

Ceramic tiles, laminate and melamine surfaces. Tile & Laminate Cleaner is NOT RECOMMENDED for stainless steel, marble, granite, plexiglass plastic or painted surfaces. Tile and laminate cleaner is intended as a preparation cleaner on ceramic tiles, melamine and laminate surfaces only.

Preparation

Not applicable

Application Details

Spray 20cm from the surface and wipe clean with a clean wet sponge or cloth, working a small area at a time. For stubborn stains or grease marks, leave on for up to 30 seconds. Rinse thoroughly with fresh, clean water. If necessary, repeat cleaning process until all contamination is completely removed. Heavily contaminated surfaces may require use of plastic scouring pads and repeated application. If contamination remains after repeated attempts then use of an appropriate specialised cleaning product may be required - following application details on the pack. Allow rinsed surface to dry before painting with White Knight Tile & Laminate Primer.
