Create colourful

Mobiles

Prepare

Make amazing colourful hanging mobiles with the White Knight Squirts spray paint range. What you need:

- Your favourite White Knight Squirts colours
- White Knight Squirts Undercoat
- Soft aluminium
- Chain and links
- Pliers, hole punch, pen, and scissors
- Thick gloves
- Dust mask
- Glasses

All of the items listed above can be found at your local Bunnings store.

Personalise

Set up your project in a well-ventilated area. Cover surrounding areas to protect from overspray and read the product labels before use.

Draw

1. Draw your shapes on the aluminium.

Cut

2. Cut out carefully with scissors and punch holes in your pieces for hanging.

Undercoat

3. Apply 1 coat of White Knight Squirts Undercoat. This will help retain colour and prevent flaking. Allow 1 hour to dry.

Spray

4. Spray your favourite White Knight Squirts colour and apply 1-2 coats.
5. Allow 1 hour to dry, and then repeat on the second side.

Link

6. Link the pieces together and then hang your work of art

Post

Post a picture of your new hanging mobile with the hashtag **#WKCRAFTERNOON**.
